

Save More With the Ameritas Dental Network

Your dental benefits help you save money. And you might be surprised at how much more you save when you visit a network provider.

Network providers have agreed to charge 25-50% less than their regular rates which can lower your out-of-pocket costs. Many of them also offer discounted fees on non-covered dental services as allowed by state law. Plus, costs for more serious dental procedures are typically reimbursed at a higher rate when you visit a network dentist.

Visiting a network provider is **easy**

Visit ameritas.com - [Find a Health Provider](#) to find a new dentist or see if your current provider is in the Ameritas Dental Network.

If your dentist is not in the network already, just go to ameritas.com, search "nominate a provider" and complete the online form.

Since 98% of providers stay with Ameritas year after year, it's less likely you'll have to switch dentists to keep seeing a network provider.

Avoid paperwork. When visiting a network provider, there are no claim forms to submit. Out-of-network dentists may also submit claims as a courtesy.
